SIR

I have the honour to state that on account of Sweepers' strike in February 1944 the services of 87 sweepers along with the supervision staff were requested from the President City Municipal Council Mysore to arrange for street sweeping. Some were brought from Mysore through lorries of this Municipality and some ~~from~~ by train. The marginally noted expenditure was incurred for their to and fro journey and for feeding charges etc. The Local Auditor while passing the bill has observed that sanction of Government is necessary to incur this expenditure out of Municipal funds as it is an unusual charge. I request that sanction of Government may be obtained and communicated early for having incurred the expenditure noted in the margin on this account which will be met out of savings effected under (1) Conservancy and Sanitation establishment.
